Re: local website: MKHDU3A.org.uk

Through our 'webmaster', John Beavan*, we have the facility to add a description of your Interest Group, news, resources, photos etc. The liaison with John should always be through the Group Leader.

* **jbeavan@jbeavan.co.uk**

(For alterations to status, dates and frequency of meetings, please continue to liaise with your Interest Group Co-ordinator (Diane, Sue S. or Sue B.) .

INTEREST GROUP.....

GROUP LEADER(S).....

EMAIL ADDRESS.....

Please describe the nature / activity(ies) of your Group. (Approximately 100 words)

You may wish to attach a photo(s) (jpeg) illustrating the activity of your Group. NB. A small number of people in the photo always reproduces better.

If you are emailing something to John B. for inclusion against your Interest Group, please remember to be specific about the group, and the picture(s), documents, links etc that you have attached.

Many thanks!
